# A Kid in my Class

Poems by Rachel Rooney, illustrated by Chris Riddell

New collection of poems by one of the top children's poets writing today, with stunning illustrations by Chris Riddell

They're all here... every kid in the class. The pushy one, the shy one. The whizz kid and the daydreamer. The kid who runs in his wheelchair. The tough kid, the poet. And not forgetting the class hamster.

This eagerly awaited new collection from an outstanding poet, winner of the CLIPPA Award, is perfectly matched by the amazing wit and inventiveness of the former UK Children's Laureate.

He's not scared of nothing.  
Nobody. Never. Nah.  
Which means that he is.  
Tough kid. Not tough enough.  
I know - I once met his dad.

## Tiger Walk

Dianne Hofmeyr, illustrated by Jesse Hodgson

A lyrical story about overcoming fears, with stunning illustrations

One day Tom draws a tiger, inspired by the Henri Rousseau painting he sees at the art gallery. That night when Tom can't sleep, the tiger pads out of his drawing and purrs, "Let's go for a walk!" It's the beginning of a magical and life-changing adventure, as the tiger helps Tom to overcome some of his biggest fears.

So Tom holds tight,  
Clings, clings tight close,  
And their breath comes out in bubbles,  
And the moonlight shines down on the water,  
And every where there are fish and sea anemones...

UNTIL...

And of course!

Big the tiger, "It's a tiger  
So right and so right,  
Up a tree and we'll dance."

The tiger's mouth is open and it's  
Breathe in and out and a tiger dance  
In the night, with heavy breath and meowing  
And purring.

Tom stands up,  
Faster...  
and faster...

UNTIL...
